

Magnum Superior Series Cylinders

UK Fasteners are proud to introduce...
The Magnum Superior Series Cylinder range. Offering the highest levels of security through unique features, the Superior Series is available in double key & key cylinder, double key & thumbturn cylinder and single half cylinder.

The MAGNUM® SUPERIOR Series offers:

- MAGNUM unique, high precision 12 telescopic pin tumbler system
- Superior physical strength
- Cylinder design that prevents lock bumping
- Anti-snap now with break points allowing interior key to work even if external snap damage occurs
- Optimum resistance against physical attack and picking
- Smooth and reliable operation
- Superior masterkeying possibilities
- 3 keys

SUPERIOR Series key

Magnum Superior Series Cylinders

The unique Magnum Cylinder technology provides superior master-keying possibilities with vast number of combinations. It offers optimum resistance against physical attack and picking.

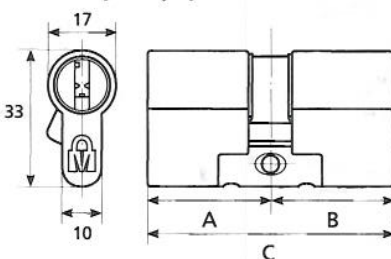

Magnum Anti-Snap Series Euro Profile Cylinder fits all standard European Profile Cylinder mortice locks

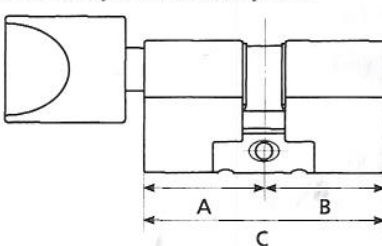

- Anti-drill pins & ball as standard
- Four anti-picks per side
- Anti-snap on both sides
- V-pins to resist bumping
